

Fraud Investigation Report

Alert ID: 44

Risk Level: LOW

Summary

Alert 43 and transaction 44 involve a \$4,000,000,000 transfer from account b9c59b15-d76c-458f-9c8a-dd4b7c21060a to 1f9f33c0-7dc2-46fd-b4d4-c19eb9441d9f. The transaction is flagged and the account has a history of multiple flagged transactions, including a prior large transfer of the same amount on 2026-06-21 and a previous flagged transfer on 2025-09-20. The account has 8 transactions in total with a risk score of 40, indicating a moderate risk profile.

Recommendation

Initiate a detailed review of the account's recent activity, enforce additional verification for large transfers, and consider temporarily restricting the account's ability to send amounts exceeding \$1,000,000 until the investigation is complete.
