

Fraud Investigation Report

Alert ID: 45

Risk Level: LOW

Summary

Alert 44 flagged transaction 45 as FRAUD. The transfer of 4,000,000,000.00 from account "b9c59b15-d76c-458f-9c8a-dd4b7c21060a" to account "1f9f33c0-7dc2-46fd-b4d4-c19eb9441d9f" was flagged as suspicious. The sender's account has 9 prior transactions with an overall risk score of 45, placing it in the medium risk tier. However, the unusually large amount and the flagged status of the transaction raise additional concerns.

Recommendation

Immediately freeze the sender account pending further investigation. Conduct a detailed review of the sender's recent activity, source of funds, and any associated accounts. Consider contacting the recipient for confirmation and cross-checking the transfer details. If additional suspicious patterns emerge, elevate the case to high risk and proceed with a full forensic audit.
