

Fraud Investigation Report

Alert ID: 46

Risk Level: MEDIUM

Summary

The account "b9c59b15-d76c-458f-9c8a-dd4b7c21060a" has repeatedly executed high-value transfers (~4 B) to the same receiver account "1f9f33c0-7dc2-46fd-b4d4-c19eb9441d9f". These transactions have been flagged multiple times within a short period (June 21, 2026). The account's overall risk score, based on 11 transactions, is 55, indicating a medium risk level. The pattern suggests potential money laundering or fraud activity.

Recommendation

Immediately freeze the sender account pending a detailed investigation. Conduct a forensic review of the source of the funds, confirm the legitimacy of the receiver account, and enforce a temporary transfer hold. Notify compliance and legal teams, and consider placing the receiver account under review as well.
