

Fraud Investigation Report

Alert ID: 48

Risk Level: MEDIUM

Summary

The alert pertains to a series of large, repeated transactions (USD 4,000,000,000) from account b9c59b15-d76c-458f-9c8a-dd4b7c21060a to receiver 1f9f33c0-7dc2-46fd-b4d4-c19eb9441d9f. The transaction is flagged and has a history of multiple prior flagged transfers of identical amounts within a short time frame (six flagged transactions between 17:05 and 17:24 on 2026-06-21). The account has 12 transactions overall, with a risk score of 60, indicating medium risk. The pattern suggests potential structuring or layering tactics typical of money laundering schemes.

Recommendation

1) Immediately freeze the sender account and block further outgoing transfers. 2) Conduct a thorough source of funds review for the large transfers. 3) Cross-check the receiver account for suspicious activity or known bad entities. 4) File a SAR (Suspicious Activity Report) with relevant regulatory authorities. 5) Monitor the account for any future high value transfers and maintain enhanced due diligence.
