

Fraud Investigation Report

Alert ID: 51

Risk Level: HIGH

Summary

Transaction 51 involves a single, high-value transfer of 4,000,000,000.00 units from account "b9c59b15-d76c-458f-9c8a-dd4b7c21060a" to "1f9f33c0-7dc2-46fd-b4d4-c19eb9441d9f". The sender account has a recent history of 15 transactions and a risk score of 75, indicating elevated risk. The transaction is flagged as potentially fraudulent by the system.

Recommendation

Immediately freeze the sender account to prevent further outgoing transfers. Conduct a detailed investigation of the source of the funds, verify KYC compliance, and review recent transaction patterns. Notify relevant compliance and legal teams for potential regulatory reporting.
